

Friends of the Homelessness Prevention Initiative (HPI)

This is a volunteer opportunity for anyone who would like to be involved with HPI's mission: Catching individuals and families before they fall into homelessness.

As a **Friends of HPI** member you have the opportunity to share your time and talents with our agency. We encourage a commitment to activities that fit you best! Some possible projects include:

- Organizing and helping to advertise special events
- Hosting a Donor Party
- Sharing the HPI message with personal and extended networks
- Writing letters to the editor or Soapbox articles
- Soliciting sponsorships for HPI events
- Responding to calls for help from HPI Board members and committees

These are only a few of the great possible opportunities to get involved. If you are interested please contact either Paula or Linda with your name, phone, email address and your specific interest in Friends of HPI.

Thank you for your support and for your interest in Friends of HPI.

Sincerely,

Paula Dille: PEDille@att.net or (970) 207-1977
Linda Maher: dmaher6482@aol.com or (970) 282-3506
